MEMORANDUM FOR Program Manager U.S. Army Training Support Center (USATSC),
Support Directorate, Automation Support, Bldg 2787, ATTN: Janey D. Sawyer Fort Eustis, VA
23604

SUBJECT: Networthiness Certification for the CollabWorx Secure Instant Messaging (SIM)
(CollabWorx SRTC 3.0) System

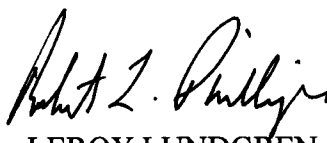

1. References:

- a. CollabWorx Secure Instant Messaging (SIM) (CollabWorx SRTC 3.0) System
Security Authorization Agreement (SSAA), 7 June 2005
- b. Certification and Accreditation recommendation of Approval to Operate, 13 July
2005
- c. CollabWorx Networthiness Checklist, 22 July 2005
- d. Recommendation for Approval to Operate P-DNS, 6 April 2005
- e. Approval to Operate, 01 August 2005

2. This correspondence constitutes the Networthiness Certificate for CollabWorx SIM.

3. This certification is valid until the current accreditation expires or reaccreditation is initiated. Upgrades which require out-of-cycle reaccreditations also require Networthiness recertification. The Program Management Office is required to notify NETCOM Networthiness Division when reaccreditation is initiated.

3. The NETCOM ESTA Networthiness POC is Mr. Robert L. Phillips, COML 520-538-2492, DSN 879, e-mail Robert.phillips2@us.army.mil
